

## Is your ecommerce business taking off but your in-house fulfillment falling behind?

### A good problem to have...

One of the biggest challenges an emerging ecommerce brand will face is reaching that point where the growth has outgrown the in-house fulfillment operation. It's a good problem to have but must be addressed.

### Distribution Management has a solution.

Our *Launch Commerce* program is tailored toward start-ups and emerging brands who may not yet meet the monthly minimums required by other 3rd party fulfillment houses. We've optimized space for you in our centrally located Chicago, IL, facility. This enables short transit times to most destinations while simplifying order management from a single warehouse.

**LAUNCH  
COMMERCE**

by Distribution Management offers:

- Eliminates costly and burdensome in-house fulfillment
- A simple, turnkey solution
- Access to volume discounts on shipping rates
- Same-day fulfillment
- Real-time order status and tracking info
- Online account and inventory visibility
- The positive experience you & your customers deserve
- Automated inventory management for all channels
- Opportunity to scale into additional Distribution Management facilities as you grow

You'll get personal, dependable service and the best possible customer experience to compete with larger brands, and we'll scale with you as your business continues to grow.
